

AUSTRALIAN GLOBAL HEALTH FILM FESTIVAL

The Australian Global Health Alliance has partnered with Global Health Film to bring the inaugural Australia Global Health Film Festival to you from 16 August 2022.

The programme, delivered with special support from AFRAN, VicHealth, Monash University Malaysia, Nossal Institute for Global Health and the Australian National University, will feature excellent storytelling from all around the world, with a strong focus on planetary health, inequity, gender violence and youth activism.

The festival will feature 9 incredible films + exclusive Q&A sessions with the film directors and global health experts.
